

Keep “The Outstanding Promotion & Education Project Award” in Mind!

There are so many awesome events and programs done by County Farm Bureaus that recognition through a Promotion & Education-sponsored award was established by the NYFB Promotion and Education Committee. The annual presentation of this award takes place at the State Annual Meeting.

Every county has achieved success via a variety of projects and activities and is eligible to participate in this recognition award so that their ideas and successes may be shared with partners in agriculture throughout New York State. This is an opportunity for a county to embark on a special project, or put a bit more emphasis (or simply a new twist) to an established project.

ONE NYFB ProEd award will be presented for a county submission at the State Annual Meeting in December. The award includes an Excellence lapel pin for each core committee member and a check for \$200.00 for the County Farm Bureau treasury. “JUDGE’S CHOICE” MAY BE ASKED TO PARTICIPATE IN PROMOTION & EDUCATION EVENTS TO SHOWCASE THEIR PROJECT.

This award is sponsored by the Promotion & Education Committee and is a special and separate award from those sponsored by New York Farm Bureau, such as the Key Award Program. The application is available via our website at www.nyfb.org under Promotion & Education for awards.

To be eligible for this award, entry forms must be postmarked by October 31st. The criteria includes:

- Applications must be signed by the County President and Pro-Ed Committee Chair.
