

To: Proud Supporters of Livingston County Agriculture  
From: Livingston County Farm Bureau  
RE: LIVINGSTON COUNTY FARM FEST  
Date: April 2024

With spring nearly upon us, Livingston County Agriculture is gearing up for the summer season! The forward looking vision of NY Farm Bureau is to be "the voice of New York agriculture that unites a diverse farm community and builds a stronger food system and rural economy." Our annual Farm Fest is an effort to fulfill this mission by bringing local farms, businesses and our community together to educate the public and create a fun-filled day on the farm!

**Livingston County Farm Fest will be held on  
Saturday, September 7<sup>th</sup> at 10am  
Swyers Dairy Farm, 9596 Kenney Rd. Dansville, NY**

This year we are excited to highlight the incredible agricultural diversity that is right here in Livingston County. Farm Fest relies on your generous support each year for its existence and success. All sponsors will have their name listed on general social media advertising and will be displayed at Farm Fest. Platinum and Presenting sponsors will be highlighted on the back of our Farm Fest T-shirts. Presenting sponsors will also be highlighted in our radio advertisement. Thank you in advance for your support which helps to make Farm Fest possible!

Sincerely,  
Jack Klapper, Livingston County Farm Bureau President
