## Cattaraugus County Annual Meeting 2025

Cattaraugus County Farm Bureau once again held their Annual meeting in conjunction with Cattaraugus County Cornell Cooperative Extension. There was good food and good friends as the Farm Bureau voted on resolutions and new Board Members. Andrew Durow and Paige Williams were each elected to 2 year terms. In addition, Mike Telaak was re-elected as County President and Dave Zilker was re-elected as County Vice President and Holly Blesy was appointed as Young Farmer & Rancher Chair.

## NYFB State Annual Meeting 2025

Mike Telaak and Mark Hansen once again represented Cattaraugus County at this year's NYFB state convention (Stacon). Resolutions that had been brought forth from counties across the state were voted on by the delegation, thus creating the 2026 NYFB Policy Book- also known as the road map for Farm Bureau staffers when lobbying our representatives.

## Wanna Go to Lobby Days?

Have you ever wondered about Lobby Days? What is it? What kind of commitment does it involve? Lobby Days is a unique experience where a state-wide gathering of farmers convene in Albany to talk to their legislators and the legislators from "down state" about agriculture and proposed policy and how it would help or hurt NY farmers. Farm Bureau trains you about the hot topics of the day and provides you with materials to help share the information and your story with the legislators. You'll get the chance to meet and question the Commissioner of Agriculture and others. You'll be given a schedule with appointments with the various legislators and you will be going in groups- so don't worry- no first timers are sent off on their own! Oh- and don't forget the Taste of NY Reception where counties and businesses share samples of their finest food and drinks! Interested? Contact Tim Bigham at [tbigham@nyfb.org](mailto:tbigham@nyfb.org) or 716-474-6585.

## *A Fireside Chat with the County President*

### **Dear Fellow Farm Bureau Members:**

Recently, Mark Hanson and I had the privilege of going to the Farm Bureau State Convention at the beginning of December. It's always an interesting event where representatives from each county of New York state meet and update our New York Farm Bureau Policy Book. The Policy Book is the framework that is then used by the organization to determine how we lobby and push or react to legislation. Many topics were discussed but one of the hot topics this year was about migrant/H2A labor. It was a spirited debate. I implore you to stop and think about what thoughts and feelings you have about this issue. If you find you do have any concerns or opinions on the subject, or any other issues, please feel free to come to our monthly meeting or contact one of our board members. We are always looking for input from our local members to better guide our policies. We are planning to set up a policy meeting this year to allow for and facilitate discussion with all of Cattaraugus's membership, so keep an eye out for when this will be happening. We would love to see you there!

## 4-Hers and FFA Students!

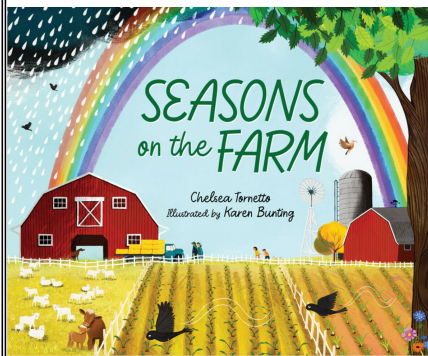

Is there a 4-Her in your life in need of a cash infusion to offset the cost of a new type of project? Is there an FFA student that needs help paying for a trip? Maybe we can help!

If you have kids that are eligible for these scholarships (all ages in 4-H or FFA are encouraged to apply), we give a maximum of \$200 per year per child that qualifies. That is great way to *more* than make your money back from your membership while still enjoying all the benefits of Farm Bureau. In addition, 4-H and FFA high school Juniors and Seniors can visit the NYFB web page to sign up for a FREE student membership which makes them eligible for this scholarship program even if their parents are not members!

The application requires your basic information, plus whatever ag experience you have, a 300-500 word essay and your involvement in activities. You must have a Family or Student Cattaraugus County Farm Bureau Membership or be sponsored by a Cattaraugus County Farm Bureau member.

The application can be obtained by emailing a request to [n.blesy@gmail.com](mailto:n.blesy@gmail.com) or on the Cattaraugus County Farm Bureau webpage located at [nyfb.org/about/county-farm-bureau/cattaraugus-county](http://nyfb.org/about/county-farm-bureau/cattaraugus-county).

## Ag Literacy Week- Volunteers needed!

We need your help to reach as many elementary students in Cattaraugus County as possible! Last year our Ag Literacy team did an **AMAZING** job and read to 1459 students in about 107 classrooms across 12 school districts in Catt County! We would love to have your help this year. You would be reading a book (provided by us- and the classroom gets to keep the book when you're done reading it to them!) and helping a class do a related activity (also provided by us). You can choose to do one classroom or many! Just let Kim Oudemool from Catt County CCE know (716-699-2377 or [kk35@cornell.edu](mailto:kk35@cornell.edu))!

This year's book is Seasons on the Farm by Chelsea Tornetto. On a farm, each season arrives with new jobs to do—crops to plant, animals to tend to, and fields to harvest. Get an inside look at what spring, summer, fall, and winter look like on a family farm, with adorable baby animals, rumbling tractors, pumpkins, pies, etc.
